# 紧装式控制机柜 AE – AE 1037.500

created: 05.09.2022 build on [www.rittal.com/cn-zh](http://www.rittal.com/cn-zh)

## 产品描述

|                           |                                             |
|---------------------------|---------------------------------------------|
| 材料:                       | 箱体：钢板<br>门：钢板，四周带有发泡聚氨酯塑料密封圈                |
| 表面:                       | 箱体和门：浸涂底漆，外经粉末涂层，织纹<br>安装板：镀锌               |
| 颜色:                       | RAL 7035                                    |
| 防护等级 IP，符合 IEC 60 529 标准: | IP 66                                       |
| 防护等级 NEMA:                | NEMA 4                                      |
| IK 编码:                    | IK08                                        |
| 供货范围:                     | 箱体带铰接门，四周封闭<br>封盖板在箱体底部<br>安装板<br>锁：3 mm 双齿 |
| 基本材料:                     | 钢板                                          |

## 产品描述

|       |                                        |
|-------|----------------------------------------|
| 尺寸:   | 宽度: 400 mm<br>高度: 800 mm<br>深度: 300 mm |
| 材料厚度: | 箱体: 1.5 mm<br>门: 2 mm<br>安装板: 3 mm     |

|                 |                                                                             |
|-----------------|-----------------------------------------------------------------------------|
| 安装板:            | 宽度: 349 mm<br>高度: 770 mm                                                    |
| 门数:             | 1                                                                           |
| 门铰链在右边, 可换到左边:  | yes                                                                         |
| 锁具规格:           | 凸缘                                                                          |
| 锁具数量:           | 2                                                                           |
| 锁芯:             | 3 mm 双齿                                                                     |
| 封盖板, 大小:        | 4                                                                           |
| 封盖板, 数量:        | 1                                                                           |
| 包装单元:           | 1 件                                                                         |
| 重量/包装:          | 26.2 kg                                                                     |
